Tire & Wheel / Tire & Wheel with Cosmetic Repair Coverage

We will repair or replace your tire when it is damaged due to a road hazard and/or each wheel that will not seal or hold air after a tire is repaired or replaced due to a road hazard. Coverage includes the following as applicable: mounting, balancing, wheel weights, valve stems, patches/patch plugs and taxes required to complete a covered repair.

Cosmetic Repair Coverage pays to repair the appearance of your wheels when they are damaged due to a road hazard.*

- Up to \$100 Towing and Flat Tire Allowance**
- Substitute Transportation Reimbursement of up to \$50 per day for a maximum of 2 days per occurrence**

Paintless Dent Repair

Paintless Dent Repair removes minor dents and dings up to 4 inches in diameter from painted steel or aluminum metal surfaces using a non-invasive process that does not compromise your vehicle's factory finish.

Key Repair & Replacement

If your vehicle key is lost, stolen, damaged or destroyed, we will reimburse you up to \$800 for repair or replacement. We will also reimburse you up to \$250 for your other non-programmable keys.

- Up to \$100 Towing and Lock-Out Allowance**
- Substitute Transportation Reimbursement of up to \$50 per day, for a maximum of 2 days per occurrence**

Windshield Repair

Repair of minor chips and cracks up to six inches (6") in length caused by a road hazard.

* Wheels will not be replaced or remanufactured if cosmetic damage is not repairable

** You must make your own arrangements for towing, flat tire replacement assistance, lock-out assistance, and substitute transportation. Substitute transportation not available for repairs that are solely for cosmetic damage.

Limits and exclusions

Coverage is subject to limits and exclusions. Under some circumstances parts or services may not be covered. Please see the service contract for details. Replaced parts will, at our option, be used or new parts of like kind and quality. The replacement tire/wheel is limited to the same tire/wheel as the vehicle's original equipment manufacturer's tire/wheel or a comparable tire/wheel of like kind and quality if the original equipment manufacturer's tire/wheel is not available or out of production.
